

CLEAN&WAX

Description:

Clean&Wax by Fra-Ber is a **polishing floor cleaner with wax** suitable for all types of floors in the home or office.
Main features:

- **Cleans, polishes and protects:** it is a 3-in-1 product that cleans, adds sheen and protects the treated surfaces;
- ****Restorative and regenerating effect:** it fills minor scratches and micro-abrasions, restoring shine to the surface by creating a self-polishing, stain-resistant and non-slip film;
- **Extra fragrance:** the fragrance is concentrated, intense and long-lasting;
- **Extra shine:** it revives dull, lacklustre, or visibly worn floors;
- **Talc fragrance:** it leaves a pleasant clean scent after each application;
- **Multi-format:** it is available in both a 1 L and 4.54 L format.

Direction for use:

We recommend using Clean&Wax as a polishing floor cleaner with wax.

Main steps:

- **For routine cleaning:**
 - Shake before use;
 - Dilute to a ratio between 1:43 and 1:265, i.e., use between 180 ml and 30 ml of product and top up with water (between 7820 ml and 7970 ml) to obtain a 8 L ready-to-use solution.
- **For intensive cleaning:**
 - Dilute to a ratio of 1:9, i.e., use 780 ml of product and top up with water (7220 ml) to obtain a 8 L ready-to-use solution.
- **For use as a treatment:**
 - Use only on dry floors;
 - Apply the product either pure or diluted at 1:1 with a mop, i.e., use up to 500 ml of pure product and top up with water (500 ml) to obtain a 1 L ready-to-use solution;
 - Prevent the product from drying on the mop.
- **For low maintenance:**
 - Depending on the absorbency of the floor, 1–2 applications, 30 minutes apart.
- **For post-protection after intensive cleaning:**
 - 2–3 applications, 30 minutes apart.
- **For spray cleaning:**
 - Dilute to a ratio between 1:3 and 1:4, i.e., use between 120 ml and 90 ml of product and top up with cold water (between 380 ml and 410 ml) to obtain a 500 ml ready-to-use solution;
 - Apply with a sprayer and 1000 rpm high-speed machine.
- **For polishing:**
 - The dried protective film can be intensified by polishing with a 1000 rpm high-speed machine and the Multi-Disc.

Warnings:

When handling the product, observe the advice on the safety data sheet.

Technical features:

Appearance and color: white liquid

Odour: characteristic
