

ULTRAMICRON HD

Ultramicron HD by Fra-Ber is a microfibre glass cleaning cloth for car and household windows, as well as hard surfaces like interior plastic parts or furniture, tables and mirrors. Main features:

- **Dimensions:** 54x48 cm;
- **Multi-purpose:** it is effective on both hard surfaces and glass;
- **Multi-action:** it is highly absorbent, effectively degreasing and polishing surfaces;
- **Edgeless and laser-cut technology:** ultrasonic cutting ensures a seamless and label-free solution, ensuring utmost safety during use.

How to clean the cloth:

- We recommend washing the cloth before first use to prevent the colour from staining;
- Wash with warm or hot water using TEX. Machine washing at maximum 30° C;
- Do not mix with other types of fabric;
- Do not use fabric softeners as these tend to alter the properties of the microfibre;
- Do not use bleach as this tends to alter the properties of the microfibre;
- Do not tumble dry;
- Do not iron the towel.
