

## MICRON XXL

Micron XXL microfibre drying towels for cars by Fra-Ber are available in two different versions for small and medium-sized cars and for larger vehicles like SUVs, station wagons, camper vans, trucks or vans. The normal version of the Fra-Ber Micron XXL towel is the ideal choice for medium- or small-sized cars due to easy handling. The SUV version of the Fra-Ber Micron XXL towel on the other hand is the best solution for larger vehicles since it can absorb twice as much water as the normal version. Its absorption capacity makes it indispensable for larger vehicles. Both towels are specifically designed to speed up drying, making it simpler and faster to mechanically dry vehicles. Main features:

- **Microfibre Weight:** 500 GSM normal version, 1200 GSM SUV version;
- **Dimensions:** 70x90 cm normal version, 60x90 cm SUV version;
- **Large size:** both are made in a large format, making it possible to dry large areas quickly;
- **Highly absorbent fiber:** the towels are designed to rapidly absorb a large amount of water without leaving stains or streaks;
- **Resealable pouch:** they are sold in a long-zip pouch to store the towels after their first use and to prevent their contamination by dirt and dust;
- **Finished edges:** the edges are gentle on surfaces and they are label-free for greater safety during use;
- **Dark colour:** to hide stains.

### How to clean the cloths:

- We recommend washing the cloth before first use to prevent the colour from staining;
- Wash with warm or hot water using TEX. Machine washing at maximum 30° C;
- Do not mix with other types of fabric;
- Do not use fabric softeners as these tend to alter the properties of the microfibre;
- Do not use bleach as this tends to alter the properties of the microfibre;
- Do not tumble dry;
- Do not iron the towel.

### Packaging:

| PACKAGING                        | BOX | COD. ART. |
|----------------------------------|-----|-----------|
| MICRON XXL 70x90 500GSM 1PZ      | -   | 79466     |
| MICRON XXL SUV 60x90 1200GSM 1PZ | -   | 701311    |
