

TRITONE 750ML

Description:

Degreasing concentrate designed to easily remove dirt from any surface on boats and any kind of craft. Particularly suitable for yellowed plastic-coated fabrics on rubber dinghies and tenders, mechanical parts and fibreglass. Tritone by Fra-Ber is designed to eliminate black lines, bird droppings, exhaust fumes, sun cream or tanning oil stains.

Directions for use:

Spray the product and leave for 5 minutes before rinsing with a damp cloth. Always rinse thoroughly. Test it with a microfibre cloth on a small area before using it on new or delicate surfaces.

Warnings:

To handle the product follow the precautionary advice on the safety data sheet.

Technical Features:

Appearance and colour: clear liquid

Odour: characteristic
