

WC KEM

Description:

Wc Kem by Fra-Ber is a **digestant for portaloos, camper vans and boats** in a concentrated and fragrant formula.

Main features:

- **Double effect:** it quickly dissolves solid waste and toilet paper for safer flushing, limiting the formation of unpleasant odours and gases in the waste tanks of portable toilets;
- **Concentrated:** the product has a high concentration of active substances and is sold in a concentrated format to get more performance out of every single drop;
- **Suitable for all portable toilets:** it is ideal for use on all types of chemical waste in portable toilets in portaloos, camper vans, motorhomes, boats, buses, trains, planes and trucks;
- **No added formaldehyde, phosphates, EDTA and NTA*:** it is formulated taking into account the most environmentally hazardous substances to be avoided, such as phosphates, EDTA and NTA;
- **Scented:** it leaves a pleasant scent after each application.

*May contain traces
